

# Curtin Primary School

**Curtin Primary School is an inclusive, innovative and supportive learning community that fosters lifelong opportunities, success and a love of learning for every individual in our school.**

## **Hand washing Procedures at Preschool**

- Use liquid soap and running water
- Wash your hands thoroughly while counting slowly from 1 to 10
- Rinse your hands while slowly counting from 1 to 10
- Dry hands well with paper towel

### **When to wash hands:**

Children need to wash their hands on arrival at preschool and before going home.

#### 4.1 Students should wash their hands:

- before preparing or eating food;
  - after visiting the toilet;
  - after being exposed to respiratory or other body fluids, such as blood, discharge from nose or eyes (eg: after visiting a friend in the sick bay);
  - after playing sport or after coming in from outdoor play; and
  - at any other time when the hands are dirty.
- (DET, hand washing guidelines 2010)
