Welcome to this week's Curtin Courier.

What a busy time of year! Planning for next year is well underway with several exciting projects in the preliminary stages.

The 2018 Kindergarten Information session was held last night and was very well-attended. We currently have 66 students enrolled for 2018. Thank you to Ken Mansell, Clare Rowley and Sara Horne, who represented Curtin's P & C. We are fortunate to have such a dynamic, passionate and committed parent community who throughout the year have volunteered to assist in classrooms, at the Canteen, the STEM Festival, the Twilight Fair, Lost Property and many other school activities. We are looking forward to thanking you in person at the Parent Volunteer Breakfast next Tuesday 5<sup>th</sup> December from 8:00am in the senior courtyard. Please email your RSVP no later than this Friday to the Front Office.

Teachers are completing the final stages of the assessment and reporting process and the end of semester reports will be sent home with the students on Friday 8 December. Please ensure that your child's report stays in their bag until you are at home and relaxing, following afternoon tea or dinner. It can be quite stressful for students to see their reports opened on the playground and read in public. Reading it at home quietly, discussing salient points and considering possible goals for 2018 learning can come after the initial reading together. Teachers will be available to discuss individual reports if requested.

Acting Up day will be held on Monday of week 10. This gives our students the opportunity to spend the day in their new classroom with their 2018 peers. This includes students who will be new to Curtin. They will be with their 2018 teacher or know who the teacher will be. 2018 class lists will then be sent home with the children that afternoon.

Tomorrow, the year 6 students will be holding their annual Market Day. They have been busy creating, designing and making items for their stall and advertising the day around the school. Students from Kindergarten to year 5 have been asked to bring a small amount of money (no more than \$10) as they will be visiting the stalls with their class during the day.

Deborah Fitzgerald

Dear Parents/carers,

As you are aware we did have an evacuation this afternoon. This was due to a fire extinguisher being set off in one of the corridors and activating the alarms. The ACT Fire Brigade did attend and quickly gave us the all clear so that all students could return to class and their learning. The ACT Fire Brigade have informed us that the fumes and residue are not toxic.

Kind regards

Maryanne

# Market Day

### **Thursday 30th November is Year 6 Market Day.**

Market day is an annual fundraiser organised by Year 6. All funds raised will go to a gift for the school or a charity of the students' choice.

All classes will be given the opportunity to visit the Market Day throughout the morning. Students are encouraged to bring a small amount of money (around \$5) to purchase items such as hot dogs, cupcakes and slime or participate in games or challenges. (Some games may involve water, so a change of t-shirt is advised.)

Please note— Market Day will not affect the planned swimming program. Classes will be timetabled to accommodate their swimming time.

Some of the fun stalls planned include : baked goods, sushi, ice cream, fruit drinks, hot dogs, fruit, disco, water pistol challenge, slime stall and lots more!

## Australian Mathematics Trust Competitions

Congratulations to the following students who received a credit or above in the Australian Mathematics Trust (AMT) competitions. Please join us this Friday at the assembly to acknowledge their achievement. The assembly will be held at 9:15 am in the school hall.

## TWILIGHT FAIR WRAP UP

As the year speeds towards its end, you might still be able to recall the Twilight Fair, held a couple of weeks ago!

This is the biggest P&C fundraiser of the year and thanks to the participation of our school community - whether you helped at a stall, gave us goods, went on a ride, snagged a sausage or went home laden with goodies and sticky with fairy floss - we raised almost \$23,000!

The P&C uses monies raised in a variety of ways around the school. In 2017, for example, our major purchase was new furniture for year 5 classrooms, which cost \$28,000.

And of course, all of this relies on the goodwill and support of the school community - we couldn't do it without willing volunteers. If you helped on a stall - please accept our heartfelt thanks, and if you didn't, please consider it for next year. We can always do with more hands!

Finally - a special thank you must go to parent Georgie Kelley. Georgie coordinated the Twilight Fair with great calmness and finesse and we are highly appreciative of her leadership, planning and ability to keep **SO many balls in the air!**

## After School Care

After School Care is a highly valued service at Curtin. To ensure student safety, the licence agreement for out of hours care requires exclusive use of the play area during care hours. Gradually over time, increasing numbers of students and families are staying on the grounds in the afternoon. While some flexibility has been given to create community atmosphere, some issues have arisen. To support the smooth and safe running of After School Care, please be aware the following expectations will now apply.

1. Unless at After School Care, no students will use the senior play equipment after school.
2. The senior area of the school grounds is for exclusive use by After School Care from 3.15pm. Anyone accessing the bike rack after this time should do so quickly, without joining After School Care students.

Please also note, the concrete path near the oval provides the border of school grounds. Families are able to access the oval at any time. Thank you for your consideration.
