

Not long to go!

Rain, hail or shine, the Twilight Fair is ON!

Thanks to everyone who has put their hand up to help or donated goods.

It's not too late to help out!

Our stall coordinators are working hard to make the Twilight Fair a great night out but they still need help. Please contact them to let them know what you can do.

WE STILL NEED HELP!

Quite a few classes are still in need of helpers on the night of the Fair. Many hands make light work. We all have children to look after and the stall coordinators would also like to spend some time with their families.

Thanks to those parents who have already put their names down to help at their class stalls.

Unfortunately, we still have a few stalls that are very short on helpers: books (1/2LH), the chocolate toss (KKK), sideshow alley (6RD & 6HH), and the White Elephant (KCS & KJG).

Please contact the class coordinators if you can help, no matter which class your children are in!
