

Name of student:

Class:

My bear design shows OATS: (please circle one)

being Safe

being Respectful

being a Learner

Positive Behaviours for Learning - Design Outline:

Think about OATS and our 3 school wide expectations: OATS being **Safe**, OATS being **Respectful** and OATS being a **Learner**. Entries are due by Friday 5 May (week 2 of term 2). Use OATS the bear as a base and think about how being SAFE, RESPECTFUL or a LEARNER will be represented in your design. You may need to include additional symbols or images - examples are included over the page. Winning entries will be used by a designer to create a graphic image that will be used on our school PBL resources.

Examples of using symbols or images to represent expectations

E.g. If the expectation was 'read'

E.g. If the expectation was 'look'

E.g. If the expectation was 'rest'
