CONVERSATIONS

Be part of a small group discussion about education at Curtin. You are invited to join the principal, Merryn O'Dea, and a P&C or School Board member to discuss our educational programs as well other aspects of school life at Curtin. The meetings will be held over morning or afternoon tea.

The topics covered in the groups will vary based on your questions and current happenings at the school. The discussion groups are also an opportunity to contribute to the dynamic learning environment at Curtin.

School aged children can wait outside the room for out of hours sessions. Toys are available for any younger siblings who might need to attend.
