

# Curtin Primary School

**Curtin Primary School is an inclusive, innovative and supportive learning community that fosters lifelong opportunities, success and a love of learning for every individual in our school.**

## **Payment of Voluntary Contributions and Fees Procedure**

Voluntary contributions are collected by the primary school attached to each preschool as a requirement under Section 27 (1) of the Education Act 2004. All payments received are used solely by the preschool staff to purchase educational resources and equipment for the preschool.

The Curtin Primary School Board sets the amount for the Voluntary Contributions each year. A letter is sent home in the Preschool Enrolment Pack and at the start of each school year outlining the amount and detailing payment options. The school may elect to send reminder letters to families throughout the year. Parents/carers may also choose to contribute a different amount at any point throughout the year. Curtin Primary School also requests a resource payment each year to cover consumables.

The Education Act 2004 states that no child will be refused benefits or services if parents/carers choose not to contribute. Individual records of contributions are confidential.
